

Boyd is to threaten
physical violence. He seemed
to think that I personally
could not do this but he
wished that there was some
one to administer a first
class thrashing.

He said this had been
done by a family here some
time ago with the result
that since that time it
has been left in peace.

I am not asking you to have
ship any one, but just tell

My dear Mr. Pfeiffer -

While I was in the National
Bank this A.M. I had a
talk with Mr. Henry Parker,
the President. The matter
that we have been discussing
came up & Mr. Parker
expressed himself quite
freely on the subject.

He says that the only way
to treat those people, the
